

DONATION FORM

Established in 1993, the **Britannia Support Society's** core role is to provide a bridge in expanding the opportunities and means available to all Britannia students. The Society, to date, has supported a wide variety of student activities and programs: from athletic equipment and uniforms to field trips, academics and the arts, with the goal of enhancing student learning and engagement.

The BSS serve the needs of Britannia students directly. In this time of rapidly changing technology, knowledge and growth, the Society feels that making opportunities accessible to every student is not only important but can lead to a lasting impact that continues well beyond the school walls.
